# REUNION 2019

## #P2BP

An event like this takes significant time, energy, preparation and teamwork especially with the changes this year. This PRES event is driven by kinship so it is ALWAYS a great honor to serve and welcome all our Alumni HOME.

It is especially heartening to see the energy and passion put in by this rePRESent 2019 organizing committee (R.O.C) sacrificing their reunion day (and the weeks leading up to it) to serve the Alumni diligently from Dusk to Dawn and everywhere in between.

I remain in AWE of them ALL that made this happen in a very condensed / collapsed timeline.

Sincerely : Donny Mark Ramdathsingh (DMR) - (Vice President – PSA – 2019 - 2020).

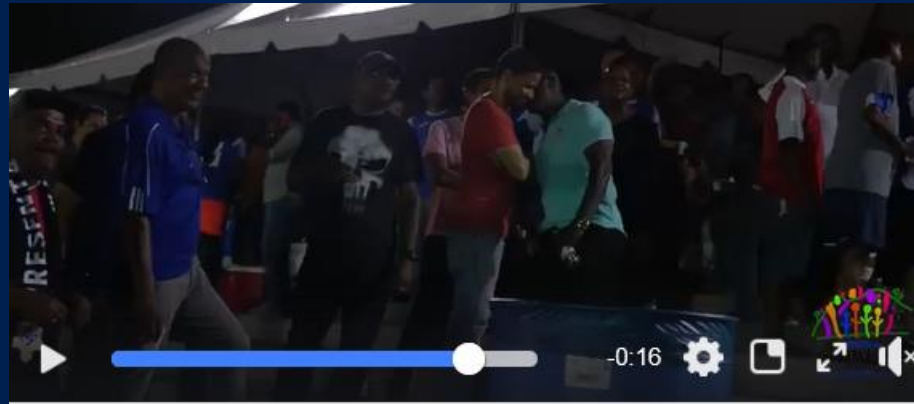

You, John Thomson, Curtis Emmanuel and 21 others 2 Comments

**Winston Rudder** There's a community of interests we represent that is reinforced whenever we meet ... whatever the circumstances. This Lime on Carib Street is an important validating event!

**Winston Rudder** There was a special personal interest which this year's observance generated. My long time Princes Town friend and former PC colleague, Edward Chen Wing, returned to Carib Street for the first time since 1956. He was overwhelmed with emotions. And that was good. I had promised to be there but couldn't. Next year is a must God willing. It will mark 60 years that I graduated from that august institution!
